3. Do you consider the Draft Local Plan is: Please select one option in each row.

	Yes	No
Legally Compliant	X	
Sound		X
Compliant with the Duty to Co-operate	X	

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

The proposed plan is not sound because:  
The Plan period is too long - 15 years is enough  
Growth forecasts are too optimistic  
Housing location and affordability. More affordable houses needed. Mixed developments are essential so that families can stay close together if wished eg. downsizing when required.  
There is much brown field land that MUST be developed first  
Green belt can never be brought back. It is vital that it is preserved sympathetically for the future.

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate. Please be as precise as possible.

As far as I know it is legally compliant.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Modifications would include a shorter time scale and more realistic forecasts.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
