4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

The grounds for the plan are unwarranted, unproven and are contingent on too many variables that cannot be depended on.

Overall the impact on South Warrington will be to build an industrial estate approaching the scale of Trafford park. The impact on the local areas is such that green belt, air quality and incumbent families will be decimated. I believe this is being steamrollered by the council without the backing of the taxpayers and council tax payers.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
