None of the above

3. Do you consider the Draft Local Plan is: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

the consultation events publicised in the SCI weren't available e.g. Stockton health library  
the numbers used are flawed and based on 2014 projections  
Fiddlers Ferry is now available for housing - there is no proof that the land in the SE of Warrington is needed when other brownfield sites are available  
The Green Belt should not be built on as there aren't exceptional circumstances  
The infrastructure plans are not developed  
The consultation material is inadequate  
developments such as the Stobart application shouldn't be decided before the local plan is verified  
the methods of assessment and the assessments are flawed e.g. green belt analysis

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

withdraw green belt from the local plan

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
