None of the above

3. Do you consider the Draft Local Plan is: Please select one option in each row.

	Yes	No
Legally Compliant		
Sound		X
Compliant with the Duty to Co-operate		

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

I feel the outlined draft plans are outrageously over the top, so many housees in such a small place, our roads are not able to take the extra traffic and to take away that amount of beautiful green land is absolutely unnecessary and a waste of our precious green field beautiful surrounding here in the south Warrington. Once green belt is gone it is gone forever. If I wanted to live in a large congested town I would have moved to one. Instead I chose to buy a house that backs onto the canal and green fields, bring up my family in a green and peaceful village with low polutions levels and the ability to walk out of our house onto lovely countryside. We regularly see foxes, birds of prey and amazing wild flowers and birds, we even saw a badger once. I don't think we would see one if this plan was allowed to be passed. Every Morning we wake up to the sun rising over the farm and see the cows and canal and feel proud to live in such a beautiful place. I can not stand back and watch that go.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

I do not think this plan is at all worth the sacrifice of such a beautiful green area. People chose to live here to be surrounded by fields and green countryside not congested housing. Our little roads are already busy.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
