	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

Consultation is poor of local people for a desimation of green land and the wellbeing of local people. Increased traffic which is already horrendous since the building of runcorn toll Bridge will only expand making existing traffic routes unusable and time consuming. Facilities and amenities will be inadequate - already an issue without the additional houses and businesses.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Build on brown belt land.
Limit the amount of houses being built - it is not a necessary to have this many houses added.
Do do industrialised a beautiful green area.
Do not disturb the trans pennine trail.
Do not disturb nature.
Do not distroy the already poor road network locally.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
