	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

• Unjustified economic growth based on old data and ambitious assumptions • Overwhelming house build schemes - 18,900 houses across Warrington by 2037 • Overwhelming commercial premises near Appleton Thorn/ Grappenhall, - situated on approx. 365 hectares of pristine land, some of it precious Green Belt land; premises would be 2nd biggest in the country behind Trafford Park • Urban sprawl, 7400 houses in S Warrington alone, mostly around Appleton Thorn; destruction of village character and landscape • Unrelenting additional traffic, 2,000 HGVs per hour from Langtree Six/56 commercial warehousing site with 42m high 'sheds' • Pollution- air quality/ noise – Warrington already has worst record in the country for dangerous small 2.5-micron particulate emissions. There's a proven link btw exposure to small particulates and premature death (respiratory, heart) • Violation of green belt land, no special circumstances to release GB for new build premises • Contravention of Thorn Ward Neighbourhood Development Plan (NDP) TRANSPORT PLAN LTP4 • Poor transport strategy lacking essential detail – lots of road infrastructure is unplanned or only aspirational across lifetime of the Local Plan • Some infrastructure projects (roads and bridges) will be grossly underfunded and therefore whole plan is undeliverable
OVERALL BOTH THE LP-PSV and LTP4 are UNSOUND AND UNDELIVERABLE

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
