1. Loss of green belt is contrary to national policy and is not justified against the objectives of the plan. I cannot see any logic in the above MD3 Lists. When the Green Belt will be reduced by 90.46% ie .from 1.42 Miles to 250Yds . STOP the merging of settlements , The 3 Labour M Ps for Halton, Warrington South and Mike Amesbury for Moore ,all disagree with the loss of Green Belt.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Hold back any change to the Green Belt until the new Western Road Link has passed Air and Pollution Controls with the H&S.Ex.
