Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

I don't feel that the predictions for the number of needed dwellings is accurate. I don't feel that the type of housing planned meets the current need for affordable housing. I don't feel that the release of so much greenbelt land is a good thing. I totally oppose the use of Moore Nature reserve for port warrington. I want you to consider including the land where fiddlers ferry is for housing in this plan. I want the western link to be stopped. You've already admitted that this won't keep up with the extra traffic the development will bring

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
