Legally Compliant		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

I am disgusted at your proposals to use our green belt sites for development. The reason you give to justify this is the councils growth ambition for the town !!!!. Have you seen our town lately ?. Golden square which you ploughed money into for development resulted in our once bustling Bridge Street becoming a very sorry show of empty and derelict units, the once busy market which was fed off this high street trade has suffered enormous trade loss. Sankey Street, same as, huge empty units, the once bustling commercial area surrounding Palmyra Square has died a death, many of the longstanding businesses having relocated. Even the council owned Palmyra House is sat empty, Huge investment in car parks, what for ?, people are heading out of town to the areas that offer free parking. Cocknedge centre will be the next to close down completely, have you seen how many empty units there are ?. Our Town Planners should hang their heads in shame at what you have already done to our town !!!!

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate. Please be as precise as possible.

I have no idea of the legal implications of your proposal, I am more concerned about the effect this will have on our town and feel those responsible for these plans are not fit to judge.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

Yes, I wish to participate at the oral examination (I understand details from Part A will be used for contact purposes)
