	Yes	No
Legally Compliant		
Sound		X
Compliant with the Duty to Co-operate		

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

The plan has not considered or taken into account sufficiently a number of significant pieces of information.

Firstly the brown field register, which I have reviewed, is incomplete. It clearly has a number of omissions and therefore the amount of brownfield land that the plan is based on is too low.

In addition, the closure (or at that time likely closure) of Fiddlers Ferry power station was not adequately considered. It affords significant brown filed land for future employment and/or housing and the plan needs to be reviewed in light of the "baseline" assumptions being rectified.

You have just completed a Representation Form for Exceptional Circumstances for Green Belt release. What would you like to do now? Please select one option.
