4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

I am unhappy about the use of already-designated Green Belt land, rather than Brownfield as a priority, for housing - and other - development.

I am unhappy that suitable additional road schemes do not seem to have been put in place - 'promises to build' are worthless.

I am concerned about traffic / lead air pollution, especially in the Stockton Heath 'bottleneck' road areas. (Or anywhere else where a bridge is located.)

I am worried that the council is putting its own apparent 'growth town with city status' wishes above those of the residents that it purports to represent.
