## PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate? From the drop down list please select one option.

Policy OS2 Croft

2. Does your comment relate to a specific paragraph (s) or policy sub-number (s)? Please select one option.

A policy sub-number (s)

If a paragraph or policy sub-number then please use the box below to list:  
6. 7. 8. 11. 12. 13

3. Do you consider the Draft Local Plan is: Please select one option in each row.

	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

This proposed development is a complete violation to Green Belt national policies. This development is a clear act of urban sprawl and is much too big for a village the size of Croft.  
Developments such as this will reduce the open spaces between villages and towns.  
The public transport is not sufficient for a development of this size.  
The single access road through a quiet residential cul-de-sac, Deacons Close is inappropriate for this development, and existing road infrastructure is not suitable to cope with increase in traffic movements.  
There will be an adverse impact to property values.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Lack of facilities in this village cannot sustain this amount of new housing and so therefore I propose that this planning application be refused.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
