	Yes	No
Legally Compliant		
Sound		X
Compliant with the Duty to Co-operate		

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

Housing numbers are too high.

No. of housing and warehousing proposed will lead to further congestion and air pollution.

The plan will lead to poor highway infrastructure.

Predicted growth does not justify the release of green belt land.

20 year plan is excessive.

No promise for further schools and health centres to accommodate the additional housing.

The character of the local area (south) will be dissipated.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The whole plan needs to be revisited and a modest number of housing and warehousing proposed. NOT the current 7600 proposed, bearing in mind an additional 1000 already have planning permission granted.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
