	Yes	No
Legally Compliant		
Sound		X
Compliant with the Duty to Co-operate		

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

Warrington already suffers from terrible traffic congestion (with its associated negative health impacts) as most people are reliant on or wedded to their car as a means of getting round. Adding this number of new houses, with their associated cars will only make this problem worse, unless there are radical and concrete plans to provide alternatives to cars in the the transport plan. There are no such plans.

It is also dubious to assume that the new housing developments in south Warrington, will benefit the town itself. Many of the people living in these new houses will be getting straight on to the motorways and travelling out of the borough for work, shopping and leisure, as many people in the new estates in south Warrington already do.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
