## PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate? From the drop down list please select one option.

Draft Local Plan (as a whole)

2. Does your comment relate to a specific paragraph (s) or policy sub-number (s)? Please select one option.

Both of the above

3. Do you consider the Draft Local Plan is: Please select one option in each row.

	Yes	No
Legally Compliant	X	
Sound		X
Compliant with the Duty to Co-operate	X	

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

I fully appreciate and support the need to increase housing numbers but there are a number of reasons the Plan is unsound.

- There are no clear exceptional circumstances for realising the Green Belt. Brownfield sites should be developed first and Fiddlers Ferry has just announced its closing in 2020 which will add a significant additional brownfield site.

- Highways infrastructure has not been fully considered and is in no way addressed as part of the plan. The current highways network in South Warrington is already under pressure and cannot sustain an additional 5,000 new homes without significant infrastructure. Peel are going to be running more ships down the canal which will put further pressure on roads due to the limited crossings in place.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The new plan needs to include and clearly demonstrate and evidence how the required infrastructure will be put in place, in advance of the new housing/ employment proposals.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination

You have just completed a Representation Form for Draft Local Plan (as a whole). What would you like to do now? Please select one option.
