None of the above

	Yes	No
Legally Compliant		
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

the plan does not take into account the amount of brownfield sites available to build houses or sufficiently consider the "right to build" regulations - it is therefore not legally compliant

The plan does not give sufficient justification as to why the houses are predominantly in the south of the borough - the plan appears politically motivated as the houses are in non labour wards.

the plan has been produced in advance of the Grappenhall neighbourhood plan and therefore there has not been sufficient cooperation with the parish council

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
