Dear Sir/Madam,

I am writing to object to the building of the proposed 500 new houses in lymm in a community who's services and local infrastructure are already under stress. More importantly this is building on green belt land that is supposedly protected. I am led to believe it is part of WBC's proposal to become a city. I don't support that notion at all and think it would be better if lymm was returned to Trafford borough.

Yours faithfully,
