Hello

I would like to register my concerns regarding the proposed development at Grapenhall and Thelwall, and also the proposal to construct a new dual carriageway along the trans penning trail, I am a resident of Thelwall and feel the proposed development will not only ruin the surrounding countryside but will impact on the local communities, also the existing infrastructure will not be able to cope with the influx of people to the area, and will totally devastate the current way of life for the residents.

Regards
