

[REDACTED]

---

Please DO NOT develop on our wonderful green belt and surrounding woodland pockets. As a resident of [REDACTED] Latchford I am dismayed, upset and very anxious that the council will plough on and destroy the railway [REDACTED]. You are causing upset and uncertainty amongst residents with vague plans of roads or houses literally on our lovely green doorstep. Keep our trees, our wildlife and our beautiful connection to nature. Warrington is against development.

Yours sincerely

[REDACTED]
