As a life long Warringtonian, I'd like to register my objection to the planned development known as option 18

We should protect our green belt land ... Warrington doesn't have enough of it, but has more than enough traffic problems already!

The Trans Pennine Trail is a fabulous asset for everyone to enjoy. The Latchford to Thelwall route is particularly popular with walkers, runners, cyclists and dog walkers (I'm one of all the first three) and a great way to keep our residents fit and healthy

I urge you to consider alternative proposals and would be happy to be contacted for any further input or consultation

May thanks
