Population – Warrington

Estimated population: Ward population were estimated from ONS small area population statistics for Lower Super Output Areas for mid-2019. Wards range from approximately 6,300 residents in Westbrook to 12,725 in Poplars and Hulme.

Population structure: The age structure of the population affects a range of service needs. Some wards have a much older population than the Warrington average, and some a much younger population. Overall Warrington is similar to national figures and the North West, in 2019, **19% were aged 0-15, 62% aged 16-64, and 19% aged 65+**.

Looking at specific younger age groups, in Warrington approximately **6% of the population were aged 0-4**. By ward, the highest proportion of 0-4s can be found in Latchford East (8%), Poplars and Hulme (7%), Bewsey and Whitecross (7%) and Fairfield and Howley (7%).

In Warrington approximately **23% of the population were aged 0-19**. The ward estimates for this age group ranges from 19% (Latchford West) to 29% (Poplars and Hulme).

The proportion of those **aged 80 and older** in Warrington is approximately **5%**. Wards with a higher proportion of these oldest populations include Penketh and Cuerdley (10%), Burtonwood and Winwick (7%), Culcheth, Glazebury and Croft (7%) and Grappenhall (7%).

Population projections show that Warrington's population is forecast to increase to 214,000 by 2030.

Households: Warrington has approximately 97,815 residential properties as at October 2020, with the largest numbers in Bewsey and Whitecross (7,043) and Fairfield and Howley (6,128) and the smallest numbers in Westbrook (2,715) and Burtonwood and Winwick (2,753).

Population – Penketh and Cuerdley

Compared to Warrington's population structure there are:

- Smaller proportions of age groups under 44 with much larger proportions in age groups 65 and older.

Warrington's population: The latest population estimate (2019) for Warrington is 210,014. Projections show that Warrington's population is forecast to increase to 214,000 by 2030.

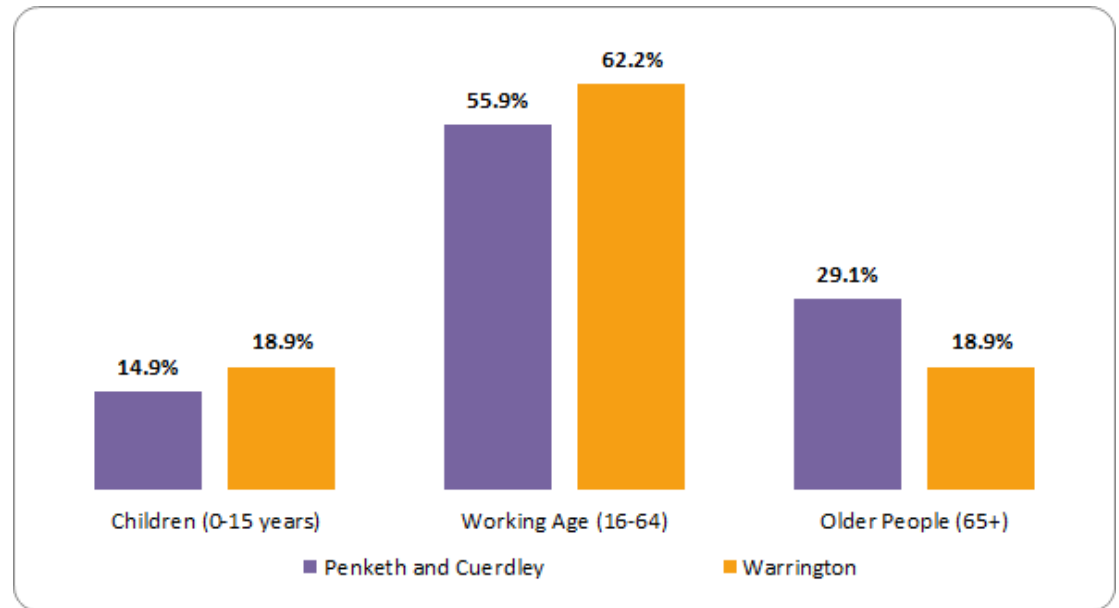

Ward population - 5 year age categories (2019)

Deprivation

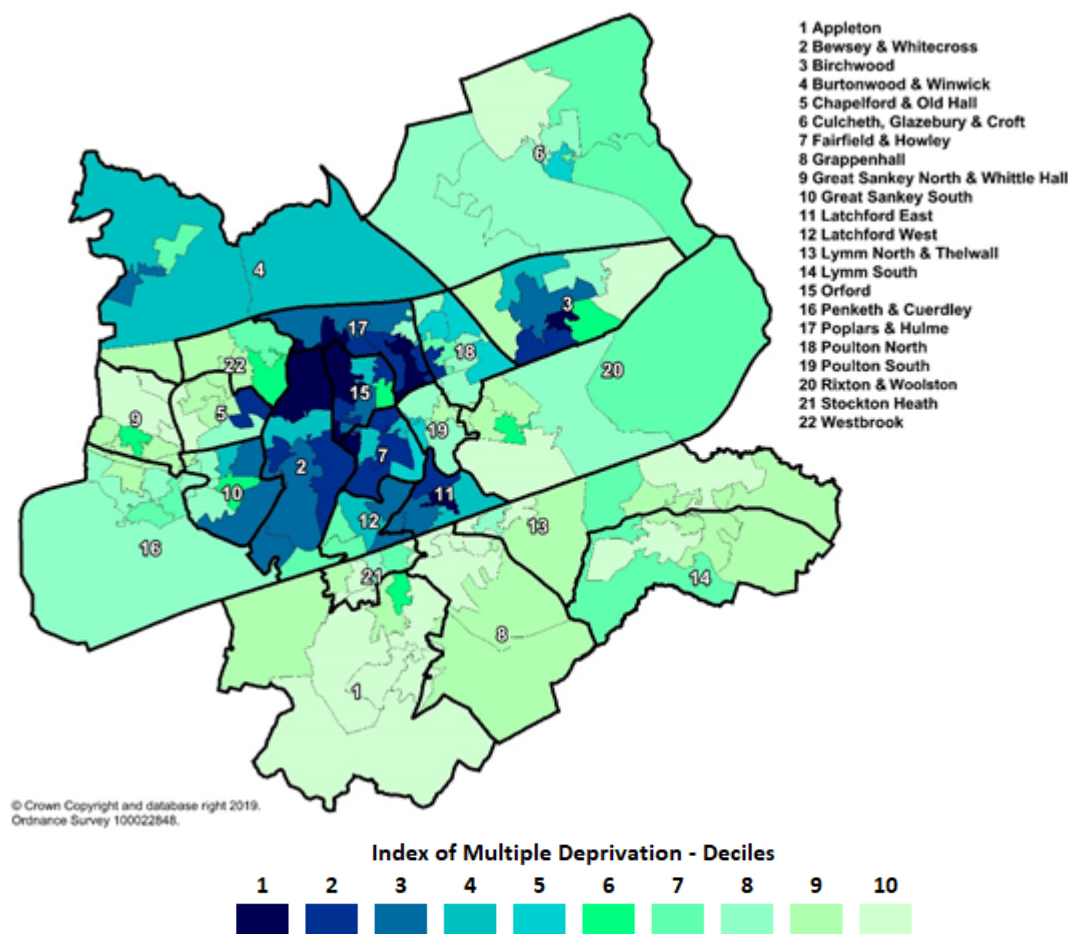

Index of Multiple Deprivation (IMD) 2019

The map shows the spread of deprivation across Warrington along with the ward boundaries. The most deprived areas are shaded blue, tend to be in inner Warrington, and the least deprived shaded green, in outer Warrington.

Lower Super Output Areas (LSOAs) are small geographical units. Deprivation is measured using the Index of Multiple Deprivation (IMD) 2019. For each LSOA, a deprivation score is calculated covering a broad range of issues: income, employment, health and disability, education and skills, housing and services, crime, and living environment. There are wide inequalities between people living in areas of high levels of deprivation and those living in areas of low deprivation; more deprived populations generally have poorer outcomes in terms of health, education etc.

All 127 LSOAs in Warrington are ordered by IMD score and have been split into ten different categories (deciles).

In Warrington borough, approximately 19% of residents live in the 20% most deprived areas. Approximately 31% live in the 20% least deprived.

Average deprivation score by ward (higher score = more deprived)

Appleton	Bewsey and Whitecross	Birchwood	Burtonwood and Winwick	Chapelford and Old Hall	Culcheth, Glazebury and Croft	Fairfield and Howley	Grappenhall	Great Sankey North and Whittle Hall	Great Sankey South	Latchford East
7.6	36.3	22.8	18.5	9.9	11.5	32.8	4.8	8.2	15.3	34.0

Warrington total: 19.1

Education – Free School Meals (FSM)

School census 2020 – FSM based on pupil postcodes

Pupils that were eligible between the census in October 2019 and the census in January 2020

Free School Meals

The Department for Education considers the gap between children who are known to be eligible for Free School Meals (FSM), and other children. Eligibility for FSM is based on being in receipt of certain means-tested benefits. From 1st April 2018 changes have been made by central government, this means that any child with an existing entitlement to free school meals will continue to be eligible until the rollout is completed. The rollout is scheduled to end on 31st March 2022. Once the rollout is completed the child will keep their free school meal entitlement until the end of their current phase of education (i.e. Primary or Secondary). As a result of this protection period FSM eligibility numbers are likely to be higher than previous academic years.

In Warrington

According to the January 2020 School Census, the average proportion of pupils eligible for FSM is **15.96%**. Thirteen out of Warrington's 22 wards fall below the average. These are Grappenhall, Stockton Heath, Westbrook, Penketh and Cuerdley, Lymm North and Thelwall, Great Sankey North and Whittle Hall, Lymm North, Appleton, Chapelford and Old Hall, Poulton South, Culcheth, Glazebury and Croft, Rixton and Woolston and Burtonwood and Winwick. Nine wards are above this average. These are Great Sankey South, Poulton North, Latchford West, Birchwood, Fairfield and Howley, Latchford East, Bewsey and Whitecross, Orford and Poplars and Hulme.

In Penketh and Cuerdley

According to the January 2020 School Census, the average proportion of pupils eligible for FSM in Penketh and Cuerdley is **4.93%** (Warrington: 15.96%). Penketh and Cuerdley is 1 of 13 wards that are below the Warrington average.

Education – Special Educational Needs (SEN)

School census 2020 – SEN based on pupil postcodes

Education, Health and Care Plans (EHCP), Statements and SEN Support

In Warrington

The proportion of pupils across Warrington requiring SEN support (**not** including statements or EHCPs) is **9.2%**. Ten wards are above the Warrington average: Bewsey and Whitecross, Burtonwood and Winwick, Great Sankey South, Poulton North, Birchwood, Latchford West, Fairfield and Howley, Orford, Latchford East with the highest proportion in Poplars and Hulme. The proportion of pupils across Warrington with a statement or EHCP is **3.3%**. Seven wards are above the Warrington average: Rixton and Woolston, Poulton North, Birchwood, Poplars and Hulme, Latchford East, Bewsey and Whitecross with the highest proportion in Orford.

In Penketh and Cuardley

The proportion of pupils in Penketh and Cuardley requiring SEN support (**not** including statements or EHCPs) is **7.5%**, which is below the Warrington average of 9.2%. The proportion of pupils in Penketh and Cuardley with a statement or EHCP is **3.2%**, which is below the Warrington average of 3.3%.

Education – Black Minority Ethnic (BME)

School Census 2020 - Ethnicity based on pupil postcodes

In Warrington

According to the January 2020 School Census, the average proportion of pupils who are BME is 13.9%. The ward with the highest proportion of BME pupils is Bewsey and Whitecross with 35.8%. Other wards with relatively high proportions include Fairfield and Howley, Orford, Latchford East and Chapel Ford and Old Hall.

In Penketh and Cuerdley

According to the January 2020 School Census, the average proportion of pupils who are BME in Penketh and Cuerdley is 4.4% (Warrington: 13.9%).

Education – first language

School census 2020 – Key first languages recorded, excluding English

Language	No. of pupils
Polish	755
Urdu	164
Romanian	153
Kurdish	141
Chinese	118
Latvian	99
Hungarian	89
Arabic	74
Punjabi	62
Slovak	58
Tamil	58
Malayalam	56
Turkish	55
Tagalog/Filipino	49
Russian	43

In Warrington

Across Warrington, Polish and Urdu are the main languages spoken as a first language other than English. Romanian, Kurdish, Chinese, Latvian and Hungarian also featured with 80 or more pupils having these as a first language other than English. In Bewsey and Whitecross, over a quarter of all pupils do not have English as their first language.

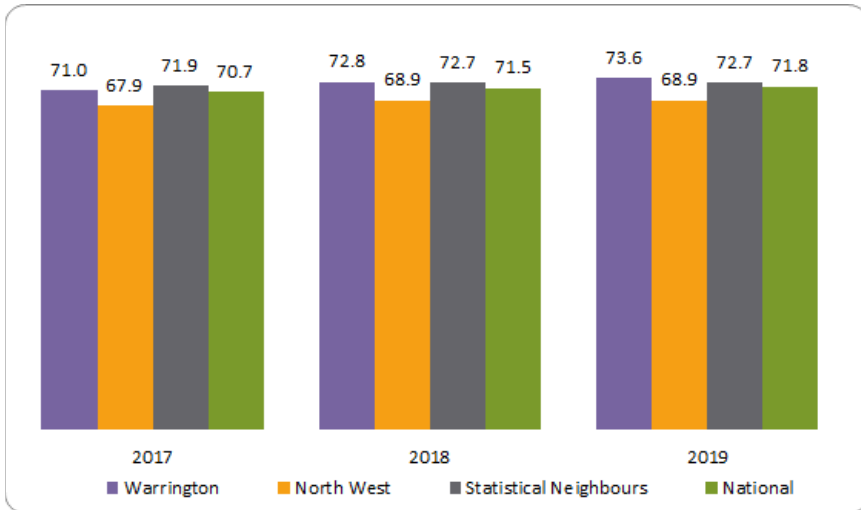

In Penketh and Cuerdley

In Penketh and Cuerdley, 2.1% of pupils do not have English as their first language, below the Warrington average (8.3%).

Education (Early Years aged 4/5) – Early Years Foundation Stage

Early Years Foundation Stage Profile (EYFSP)

EYFSP is used to assess a child’s overall development by the age of 4/5. As well as literacy and maths, teacher assessments cover a range of elements including personal, social and emotional development, communication skills and physical development. In 2013 there were significant changes to the curriculum in the Early Years Foundation Stage; as a result the data has taken a few years to be considered robust. In 2019, performance for Warrington is above North West, Statistical Neighbour and England average.

In Warrington

The overall measure used is % **achieving a Good Level of Development** with the proportion for Warrington being **73.6%**.

The wards performing best and above average are Chapelford and Old Hall, Appleton, Stockton Heath, Lymm North and Thelwall, Poulton South and Great Sankey North. Latchford West, Orford, Poplars and Hulme and Bewsey and Whitecross are the lowest performing wards in terms of % achieving a Good Level of Development. Twelve of Warrington’s wards are above the average and ten wards are below it.

In Penketh and Cuerdley

The percentage achieving a Good Level of Development with the proportion for Penketh and Cuerdley is **78.2%** (Warrington: 73.6%). Penketh and Cuerdley is above the Warrington average.

Education (end of primary school aged 10/11) – Key Stage 2 reading, writing, maths

In 2016, there were also significant changes to how performance is measured at the end of Year 6. There was a new curriculum as well as a much higher test and teacher assessment standard than the previous Level 4. Because of these changes comparing data with previous years is problematic. However, based on the first statistical release from the Department for Education, Warrington is ranked 7th (of 149) in the country and 2nd in the North West for Reading, Writing and Maths (RWM) combined. In 2019, Warrington is above the North West average, our Statistical Neighbour average and the England average in all subjects.

In Warrington

In Warrington overall, **72.5%** of pupils are **achieving the expected standard in RWM** at Key Stage 2.

Eight wards are below the Warrington average with Poplars and Hulme being the lowest at 58.5%. Other wards with the lowest averages are Bewsey and Whitecross (58.7%), Latchford West (60.9%) and Orford (62.8%). Fourteen wards are above the Warrington average with Lymm North and Thelwall being the highest at 86.4%. Other wards with the highest averages are Stockton Heath (85.0%), Burtonwood and Winwick (83.8%) and Grappenhall (82.6%).

In Penketh and Cuerdley

In Penketh and Cuerdley, **81.8%** of pupils (Warrington: 72.5%) are achieving the expected standard in RWM at Key Stage 2. Penketh and Cuerdley is 1 of 14 wards which are above the Warrington average.

Education (end of secondary school aged 15/16) – Key Stage 4: Progress 8

In 2013-14 there were major reforms to Key Stage 4 which affected how results were calculated. Schools and local authorities are now judged on how much progress students have made since the end of primary school. Progress 8 measures the achievement of a pupil across 8 qualifications and compares this to what their estimated achievement is based on their prior attainment. It is a type of value added measure.

For all mainstream pupils nationally in 2019 the average progress score is -0.03; a positive score means pupils in the schools on average do better at KS4 than those with similar prior attainment nationally. (A score of 0.25 for example would mean that on average pupils in the school achieved a quarter of a grade more than other pupils nationally with similar starting points).

In Warrington

In Warrington in 2019, the Progress 8 score is 0.01, the North West figure is -0.18.

Warrington is ranked 3rd in the North West and 56th nationally (out of 150 authorities).

Warrington has twelve wards with a positive score, with the highest being Lymm North and Thelwall (0.62). Warrington has ten wards with a negative score, the lowest being Latchford East (-0.55).

In Penketh and Cuerdley

Penketh and Cuerdley has a score of **0.02** and is slightly above the Warrington average. Penketh and Cuerdley is ranked 12th out of 22 wards in Warrington (1st being the highest ranked ward).

Progress 8, 2019

Education (end of secondary school aged 15/16) – Key Stage 4: Attainment 8

Attainment 8 measures the achievement of a pupil across 8 qualifications. It includes Mathematics and English (both double weighted), 3 qualifications that count within the English Baccalaureate (EBacc) measure and a further 3 qualifications that can be GCSE qualifications (including EBacc subjects) or any other non-GCSE qualifications on the DfE approved list. Each individual grade a pupil achieves is assigned a point score, which is then used to calculate a pupil's total Attainment 8 score.

In Warrington

In Warrington in 2019, the Attainment 8 score is 48.8, the North West figure is 45.5, Warrington is ranked 3rd in the North West. The England average is 46.7, Warrington is ranked 37th out of 150 authorities. Warrington is higher than both the North West and England averages.

Warrington has twelve wards above the Warrington average with Lymm North and Thelwall being the highest score (58.7%). Warrington has ten wards below the Warrington average with Poplars and Hulme being the lowest score (39.9%).

In Penketh and Cuerdley

Penketh and Cuerdley has an Attainment 8 score of **49.2** and is above the Warrington average. Penketh and Cuerdley is ranked 11th out of 22 wards in Warrington (1st being the highest ranked ward).

Attainment 8, 2019

Health – life expectancy

Life expectancy is an internationally accepted measure of the overall health of a population. It provides an estimate of the average number of years a new-born baby would live for if s/he experienced the age-specific mortality rates of a particular area throughout his or her life.

In Penketh and Cuerdley

The life expectancy of residents in Penketh and Cuerdley is similar to the Warrington average.

- Male life expectancy (80.9 years) is above the Warrington average (78.8 years).
- Female life expectancy (81.0 years) is below the Warrington figure (81.7 years).

Life expectancy is consistently lower in men than women, locally and nationally.

Health – breastfeeding and smoking mothers

Breastfeeding at birth: 66.9% of mothers started breastfeeding their babies at birth, higher than the Warrington average (60.5%).

Breastfeeding at 6-8 weeks: 34.6% of mothers were continuing to breastfeed their babies at 6-8 weeks old, lower than the Warrington average (38.3%).

Smoking at time of delivery (Women who are regular/occasional smokers at time of delivery) is 2.3% and is lower than the Warrington average (8.0%).

Breastfeeding at birth

Mother a smoker at time of delivery

Breastfeeding at 6-8 weeks

Sources: Warrington Hospital (mother a smoker), Bridgewater NHS Trust (breastfeeding)

Health – overweight and obese reception children

Child obesity. Children are measured at the start and end of primary school (in Reception aged 4/5 and in Year 6 aged 10/11). The graphs show the percentage of obese children and the percentage with excess weight (i.e. either overweight or obese).
Warrington 2018/19 - Reception: almost 1 in 10 are obese.

Warrington comparisons: In Reception, overweight/obesity prevalence was higher in Warrington than England, but lower than the North West. Warrington is lower than the North West and England in terms of reception age obesity, though very similar to England (9.6% in Warrington and 9.7% in England).

Prevalence of overweight/obesity by ward: In Reception, Latchford East was the only Ward which was significantly different to Warrington overall.

Prevalence of obesity by ward: In Reception, Latchford East was the only Ward which was significantly higher than Warrington overall.

In Penketh and Cuerdley

Excess Weight (Reception): The proportion of overweight or obese children in Reception (13.9%) for Penketh and Cuerdley is lower than the Warrington average (22.9%).

Obesity (Reception): In Penketh and Cuerdley, obesity prevalence is lower (5.1%) than in Warrington overall (9.6%).

Percentage of overweight/obese reception children by ward, 2018/19

Percentage of obese reception children by ward, 2018/19

Health – overweight and obese Year 6 children

Child obesity. Children are measured at the start and end of primary school (in Reception aged 4/5 and in Year 6 aged 10/11). The graphs show the percentage of obese children and the percentage with excess weight (i.e. either overweight or obese).

Warrington 2017/18 - Year 6: almost 1 in 5 are obese.

Warrington comparisons: In Year 6, prevalence of obesity, and of overweight/obesity, was lower in Warrington than in the North West and England, but not significantly so.

Prevalence of overweight/obesity by ward: In Year 6, Great Sankey South was the only Ward which was significantly higher than Warrington overall.

Prevalence of obesity by ward: In Year 6, Great Sankey South, Orford and Poplars and Hulme are significantly higher than Warrington overall. Penketh and Cuerdley is the only ward significantly lower than the overall Warrington figure.

In Penketh and Cuerdley

Excess Weight (Year 6): The proportion of overweight or obese children in Year 6 for Penketh and Cuerdley (28.9%) is lower than the Warrington average (33.4%).

Obesity (Year 6): obesity prevalence is lower (7.8%) in Year 6 compared to 19.0% in Warrington.

Social Care – Children in Need

Children in Need covers children and young people receiving a social care service. This includes those placed on a child protection plan or those looked after by the local authority as a child in care. Children receiving a service under Section 17 are also included to make up a total of approximately 1250 children and young people at November 2019. Numbers were mapped by matching the young person's postcode to each ward. They were then converted to a rate based on the number of 0 -17 year olds in each ward. The average rate of Children in Need in Warrington was 283.4 per 10,000 population aged 0-17. The highest rates above the Warrington average were in Fairfield & Howley, Orford, Bewsey & Whitecross and Poplars & Hulme. The lowest rates were in Stockton Heath, Grappenhall, Appleton and Lymm North & Thelwall.

*As numbers in many wards are small and may be subject to large fluctuations from month to month, figures presented here should be treated with caution.

*Figures will differ slightly from published data as rates were calculated using a recent mid-year population estimate (2019).

Social Care – Adult Social Care Service Users

Though there are many residents in receipt of adult social care services within the borough, the numbers below represent only those people receiving services paid for in part or wholly by Warrington Borough Council in 2019/20.

The number of service users from the community is approximately 2,400 and the number of service users in residential or nursing care is approximately 850. The number of service users are then converted to percentages based on the mid 2019 ward populations.

*Some wards' percentages relate to relatively small numbers and should be treated with caution.

Crime

Reported crime in each ward per 1,000 population (in the year to October 2020).

Source: Reported crime and ASB is based on monthly data from data.police.uk.

In Warrington

Warrington had a crime rate of 77.78 per 1,000 population in the year to October 2020.

In Penketh and Cuerdley

Penketh and Cuerdley had a crime rate of 36.65 per 1,000 of the ward population. Penketh and Cuerdley is 1 of 16 wards below the Warrington average.

Anti-social behaviour

Reported anti-social behaviour in each ward per 1,000 population (in the year to October 2020).

Source: Reported crime and ASB is based on monthly data from data.police.uk.

In Warrington

Warrington had an anti-social behaviour rate of 24.00 per 1,000 population in the year to October 2020.

In Penketh and Cuerdley

Penketh and Cuerdley had an anti-social behaviour rate of 13.97 per 1,000 of the ward population. Penketh and Cuerdley is 1 of 15 wards below the Warrington average.

House Prices – Median house prices by Ward

Source: Office for National Statistics, Median house prices by ward: HPSSA dataset 37, house prices in the year to June 2020 © Crown Copyright.
Adapted from data from the Office for National Statistics licensed under the Open Government License v3.0.

In Warrington

Warrington had a median house price of £192,000 from 2,639 sales in the year to June 2020.

In Penketh and Cuerdley

Penketh and Cuerdley had a median house price of £181,000 from 113 sales in the year to June 2020. Penketh and Cuerdley is one of twelve wards below the Warrington average.

Universal Credit – December 2020

This measures the percentage of the working age population (16-64) in each Ward who are claiming Universal Credit as at December 2020.

Source: Department for Work and Pensions, via Stat-Xplore, Universal Credit by LSOA.

Adapted from data from the Office for National Statistics licensed under the Open Government License v3.0.

In Warrington

Warrington, at December 2020, has 13.80% of its working age population (16-64) claiming Universal Credit.

In Penketh and Cuardley

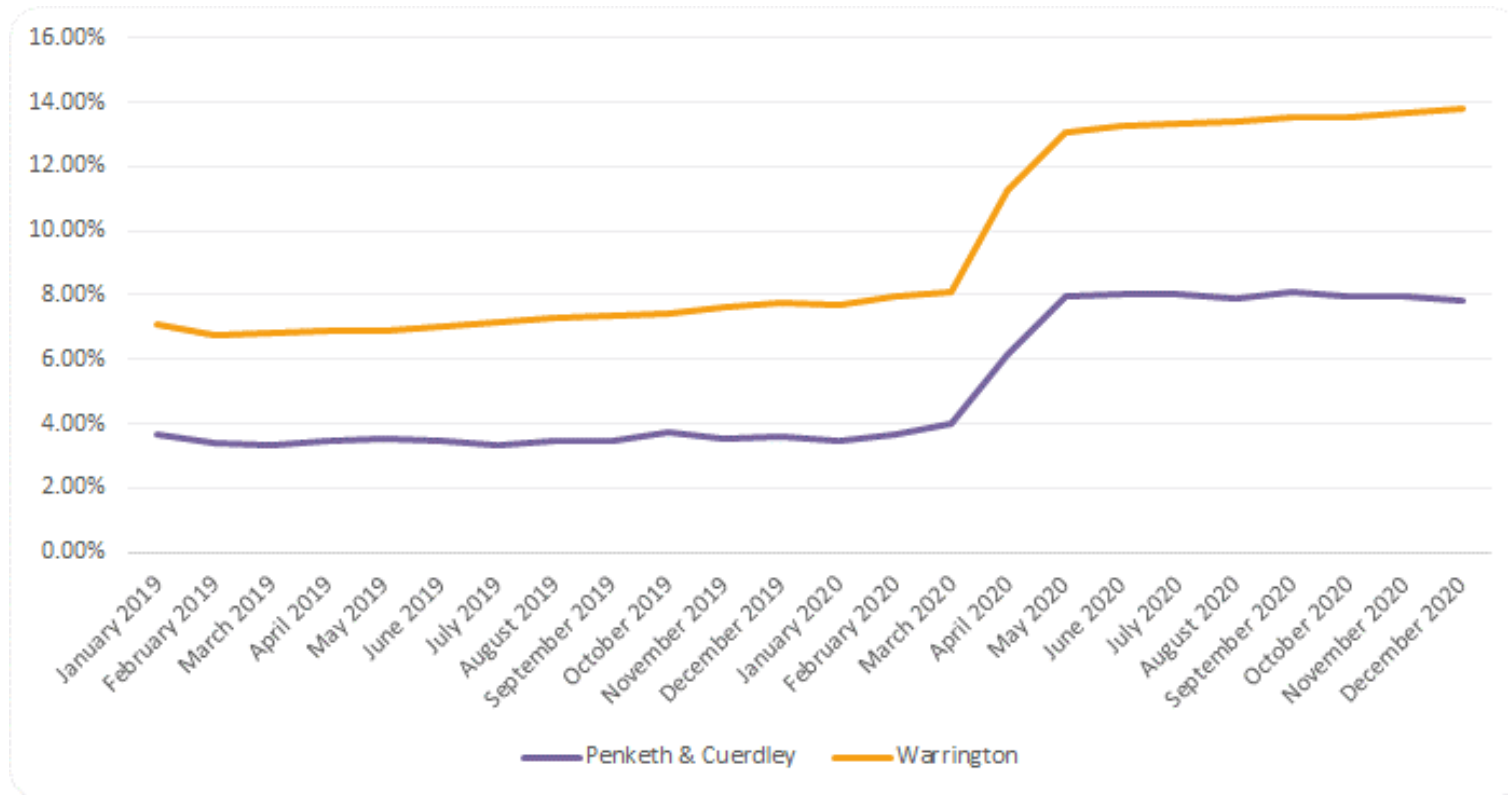

Penketh and Cuardley has 7.84% of its working age population (16-64) claiming Universal Credit as at December 2020. Penketh and Cuardley is one of 15 wards below the Warrington average.

Universal Credit – 24 month rolling period to December 2020

This measures the percentage of the working age population (16-64) in the Ward who claimed Universal Credit during the last 2 years in comparison with the Warrington average during the same period.

Source: Department for Work and Pensions, via Stat-Xplore, Universal Credit by LSOA.

Adapted from data from the Office for National Statistics licensed under the Open Government License v3.0.

In Warrington

The percentage of the working age population (16-64) claiming Universal Credit has increased from approximately 7% in January 2019, to over 8% in March 2020 before COVID-19 increased the percentage to its current level of 13.8%.

In Penketh and Cuerdley

The percentage of the working age population (16-64) claiming Universal Credit increased from approximately 4% before COVID-19 to 7.84% in December 2020. Penketh and Cuerdley has been consistently below the Warrington level during the previous two years.
