Appendices

Appendix A: Schedule of S106 Agreements (position as at 31 July 2021)

1. Introduction

- 1.1 Local Authorities are required, in accordance with The Community Infrastructure Levy (Amendment) (England) (No.2) Regulations 2019, to produce an Infrastructure Funding Statement (IFS) annually that sets out details about planning obligation receipts and anticipated expenditure. The purpose of this document is to provide clarity and transparency to local communities and developers on infrastructure expenditure.
- 1.2 S106 and CIL (collectively referred to as 'planning obligations') income is used to help fund the provision of infrastructure to support development and maximise the benefits and opportunities that come with growth, such as employment opportunities and new and affordable homes. Planning obligations are used to mitigate the impacts of development and to ensure that planning policy requirements are met.
- 1.3 The introduction of CIL is being considered alongside the production of the new local plan, so this document deals with S106 income only.
- 1.4 This statement sets out progress on the collection and expenditure of S106 monies over the financial year 2020/21. Section 3 briefly considers planned S106 expenditure over the next reporting period 2021/22. The IFS would normally be published in December each year however this version has been delayed due to the submission of Warrington's Updated Proposed Submission Version Local Plan to the Secretary of State for Levelling Up, Housing and Communities in April 2022.
- 1.5 A summary of key figures is set out below.

Figure 1: Headline Figures from 2020/21

Headline Figures from IFS 2020/21

- S106 Agreements signed over this period amount to a total of almost **£4.2m** in contributions.
- Approximately **£2.7m** was received in S106 receipts.
- Approximately **£2.1m** of S106 monies was spent over the period.
- The biggest areas of spending were in the service areas of **Transportation - approximately £1.3m** - and **Education – approximately £645,000**.
- The closing balance of S106 monies at the end of the period is approximately **£6.1m** – this is the monies received by the Council but not yet spent.

2. Section 106 Collection and Expenditure 2020/21

Warrington's adopted Local Plan Core Strategy (2014) deals with planning obligations through various policies aimed to ensure the delivery of infrastructure to meet the needs of development. Planning obligations are relevant to the following policies within the Local Plan Core Strategy:

- CS1 Overall Spatial Strategy – Delivering Sustainable Development
- CS4 Overall Spatial Strategy – Transport
- PV3 Strengthening the Borough's Workforce
- SN2 Securing Mixed and Inclusive Neighbourhoods
- SN7 Enhancing Health and Wellbeing
- QE1 Decentralised Energy Networks and Low Carbon Development
- QE3 Green Infrastructure
- QE4 Flood Risk
- QE5 Biodiversity and Geodiversity
- QE6 Environment and Amenity Protection
- MP4 Public Transport
- MP7 Transport Assessments and Travel Plans
- MP10 Infrastructure

This is further supplemented by the Planning Obligations Supplementary Planning Document (SPD) (2017) which sets out Warrington Borough Council's approach to seeking planning obligations for the provision of affordable housing, biodiversity, education, flood risk, green infrastructure/open space, pitch sports/recreation, health, local job/employment opportunities, and transport/travel infrastructure required as a result of new development. Details are provided as to the nature of different obligations that may be sought from developments in the Borough, the types of development that they will apply to and the thresholds above which they will apply. Where possible, information is provided as to how contributions are calculated, for example, for education contributions. This provides a clear position to applicants and developers as to what is likely to be requested from the outset of their planning application negotiations.

2.1 Section 106 Agreements Signed

A full list of planning applications with S106 Agreements which were signed in the period 2020/21 are provided in Table 1 below. The S106 Agreements signed over this period amount to a total of **£4,189,826** in contributions.

Table 1: Section 106 Agreements Signed in 2020/21

App No	Address	Development Description	Date Signed	S106 Value	Purpose
2019/35964	Land at Richmond Recreation and Social Club	Demolition of the former Richmond Social Club and construction of part two storey part three storey building comprising apartments for affordable rent with associated works and infrastructure (use class C3) as set out in the application.	08/07/2020	£9660.00	Affordable housing – on site All 40 dwellings to be provided at an affordable rent for use as affordable housing Bench contribution – prior to commencement - £9000 Towards the provision of 6 benches located in the vicinity of site the need which arises directly from the development Monitoring fee - £660.00
2020/36579	Former Fox Wood School, Chatfield Drive, Birchwood, Warrington	Full Application (Major): Proposed construction of 69 dwellings for private rent and private affordable rent (32, two storey houses and 37 apartments in two blocks), car parking, landscaping and associated works.	14/08/2020	£134,380.00	<u>Affordable Housing</u> 21 units to be provided at an affordable rent <u>Health Contribution - £53,199.00</u> Improvements at Birchwood Medical Centre <u>Sports Contribution - £79,841.00</u> £63,312 Built sports facilities and £16,529 Sports pitches in the vicinity of the development. <u>Monitoring</u> £1340
2020/36798	Former Sycamore Lane Primary School, Sycamore Lane, Great Sankey, WA5 1LA	Construction of 92 dwellings for private rent and private affordable rent (47 x 2 storey houses and 45 apartments), car parking, landscaping and associated works	14/08/2020	£689,839.00	<u>Affordable Housing</u> 28 dwellings to be provided for Affordable Rent <u>Health Contribution - £70,932</u> Improvements at Great Sankey Medical Centre (Hood Manor) <u>Primary School Contribution - £261,219</u>

					<p>Primary places at Great Sankey Primary School</p> <p><u>Secondary School Contribution - £210,223</u></p> <p>Secondary places at Penketh High School</p> <p><u>Sports Pitch Contribution - £75,378</u></p> <p>£47,878 to the Mary Anne Meadows playing fields, Bristow Close, Great Sankey – football pitch improvement programme in partnership with the Football Association to meet the needs of the development AND £27,500 to the enhancement and maintenance of the pitch at Chapelford Village primary school by the removal of the existing playing surface and kick about area to a depth of 50mm and build up with new topsoil surface to a depth of 150mm with seeding and drainage works to provide new 43m by 33m and 36m by 19m surfaces for school and community use.</p> <p><u>Pool and Hall Contribution - £70,227</u></p> <p>Towards improvements at Penketh Parish Council Pool and sports hall</p> <p><u>Monitoring Fee</u></p> <p>£1860</p>
2019/35549	Broomfields, Bridge Lane	Proposed demolition of existing extra care building and replacement with new extra care scheme comprising 45 self-contained apartments for affordable rent, for those aged 55 with associated landscape and shared facilities.	21/09/2020	£660.00	<p>Affordable Housing = 45 dwellings (affordable rent) On completion</p> <p>Car park management strategy Prior to occupation</p> <p>Monitoring Fee - £660.00 On commencement of development</p>
2019/36142	Silver How, Lakeside Road, Lymm, WA13 0SX	Proposed erection of two rear extensions and the reworking of the ground floor layout	10/02/2020	£0	Unilateral Undertaking – no permitted development as described in the order shall be carried out on or at the application site by the owners or by their servants or agents or any other person without the grant of further specific planning permission from the council.
2019/36241	Omega South Zone 4-7	Outline Planning Permission for the development of up to 617 residential units and mixed-use zone to include retail/food and drink uses (Use Classes A1; A2; A3; A4	24.12.20	£3,353,787.00	<i>These contributions relate to the additional 300 dwellings as per application 2019/36241</i>

		and A5), Hotel (Use Class C1), Extra Care Facility (Use Class C2) and Non-Residential Institution (Use Class D1) with details of access only (all other matters are reserved for subsequent approval).			<p>Open Space (approx.) £292,011.00</p> <p>Towards the provision of off-site playing pitches in the locality of the land.</p> <p>Education</p> <p>Primary (approx.) £1,119,510.00</p> <p>Towards facilitating improvements to Barrow Hall Primary School</p> <p>Secondary (approx.) £873,234.00</p> <p>Towards facilitating improvements to Great Sankey High School</p> <p>Public Transport (approx.) £600,000.00</p> <p>Towards the provision of public transport.</p> <p>Sport Facilities (approx.) £237,732.00</p> <p>Towards the provision of off site sports facilities in the locality of the land.</p> <p>Healthcare (approx.) £231,300.00</p> <p>Towards facilitating improvements to local health services in Warrington</p> <p>Public Art</p> <p>Means the promotion of arts within the development of its vicinity, including, including the commissioning, installing and maintenance of permanent or temporary works of art</p> <p>Affordable Housing –on site</p>
2020/36797	Moss Brow Cottage	Full Planning - Proposed demolition of 1 - 3 Mossbrow Cottages and the erection of 1 no. single storey detached dwelling, with associated access, servicing and landscaping, including installation of package treatment plant	20.11.20	£1500.00	<p>Unilateral Undertaking</p> <p>Parks and Open Space</p> <p>£1500 towards additional habitat restoration at Risley Moss</p>

2020/37211	White House, Hobb Lane	Proposed new dwelling	16/11/2020	£0	Unilateral Undertaking – No development by virtue of any of the classes A to E of part 1 of schedule 2, of the Town and County Planning, of the Town and County Planning (General Permitted Development) (England) Order 2015 shall be carried out on or at the Property by the Owner or by their servants or agents or any other person without the grant of further specific permission from the Council. The Planning Permission shall have no effect if prior to the commencement of development any development by virtue of Schedule 2, Part 1, Classes A and E of the Town and County Planning (General Permitted Development) (England) Order 2015 is carried out on or at the Property by the Owner or by their servants or agents or any other person without the grant of further specific permission from the Council.
2019/35472	Land off Warrington Road, Hatton, Warrington	Erection of Grain store, machinery store, agricultural yard and access as set out in the planning application	05/02/2021	£0	Unilateral Undertaking Not to commence or allow the commencement or further implement or allow the further implementation of the original planning permission and to remove any works carried out in accordance with the original planning permission. Not to seek or claim or take any action to obtain any compensation as a result of this deed, and or object to any deemed revocation or any future revocation order in respect of the original planning permission. To pay the Council the Councils reasonable and proper legal costs together with all disbursements incurred in connection with preparation, completion and registration of this deed in the sum of £500
					Total : £4,189,826.00

In relation to non-monetary contributions during the period 2020/21, signed S106 Agreements include the commitment to deliver of a total of 134 affordable units.

2.2 Section 106 financial contributions received

In 2020/21 just over **£2.7 million** was received in financial contributions from S106 agreements. Full details are provided in Table 2 below.

Table 2: Section 106 Financial Contributions Received in 2020/21

App No	Address	Development Description	Date Signed	Money Received	Purpose
2017/31848	Appleton Thorn (Stretton road)	Proposed Erection of 71 dwellings, public open space, landscape and associated infrastructure	23/10/2018	£339,612.92	<p>Built sports facilities - £31,783.55</p> <p>Towards the cost of improving the facilities at Broomfields Leisure Centre</p> <p>Bus shelter and Associated Works - £5,135.33</p> <p>Towards the provision of two bus shelters and associated hard standing on Stretton Road adjacent to the Site shown dotted red on plan 4 or such other location on Stretton Road to be agreed with the owner</p> <p>Health facilities</p> <p>£29,299.08</p> <p>Towards a new health care facility which will form part of the new neighbourhood centre at Appleton Cross or such other healthcare facility as shall be agreed between the owner and the council</p> <p>Primary Education -</p> <p>£140,532.28</p> <p>Towards the provision of additional classroom facilities for primary education at Grappenhall Heys community primary school to meet the additional demands placed upon the said schools classroom facilities resulting from the development.</p> <p>Secondary Education</p> <p>£107,956.35</p> <p>Towards the provision of additional classroom facilities for secondary education at Bridgewater High School to meet the additional demands placed upon the said schools classroom facilities resulting from the development.</p>

					<p>Sustainable Transport</p> <p>£24,906.33</p> <p>To enhance bus service number 8 or such other replacement bus service(s) from time to time as shall be determined by the Council.</p>
2018/33778	Delta Crescent Warrington	Proposed Erection of 79 residential dwellings (including 24 affordable homes), access, public open space, landscaping and associated works (Resubmission of 2018/32808)	11/03/2020	£103,617.53	<p>Built leisure - £72,687.51</p> <p>Towards the councils costs in providing facilities as part of the Bewsey and Dallam Hub to include a swimming pool and/or community rooms</p> <p>Healthcare - £30,930.02</p> <p>Towards the Councils costs in providing improvements and/or enhancements to health facilities at Westbrook Medical Centre.</p>
2017/31148 k	Former Kwik Save site	Proposed demolition of the former Kwik Save supermarket (Now Skate Academy) with the construction of a new residential apartment block (C3) , comprising 144 dwellings (with a mix of one and two bed units together with ancillary accommodation including residents entrance and parking provision. Part of the ground floor base, to be used as commercial use (A1)	20/11/2018	£35,000.00	<p>Transportation - £35,000.00</p> <p>Towards the Council's costs in connection with the Town Centre Travel Plan</p>
2019/35280	Unit 4 Appleton Thorn	Proposed construction of a warehouse (Use Class B8) with ancillary office space (Use Class B1a), creation of access, service yard, parking, earth remodelling to the existing bund, boundary treatment, and landscaping	14/02/2020	£420.00	<p>Monitoring Fee</p>
2011/18949	Land at Dawson House, Liverpool Road, Warrington	Planning permission for residential development (Use class C3) with access including demolition of all existing buildings.	24.04.12	£518,540.00	<p>Affordable Housing – 498,940.00</p> <p>Towards the provision of affordable housing within the Councils administrative area</p> <p>Transportation - £19,600.00</p> <p>Towards the bus service routes 14 and 15</p>

2017/31816	Tanyard Farm, Rushgreen Road, Lymm, Warrington	Proposed demolition of all existing structures and remediation of the site and the erection of a residential development comprising 64 dwellings with an ecological enhancement area, landscaping, open space, access from Rushgreen Road, car parking and associated infrastructure.	06.09.18	£123,246.92	<p>Healthcare - £15,334.63</p> <p>Towards the councils costs in providing improvements or enhancements to health facilities at either Brookfield Surgery (Whitbarrow road) or Lakeside Surgery</p> <p>Playing Pitch - £15,778.83</p> <p>Towards the councils costs in providing improvements or enhancements to the existing pitches/facilities at Lymm High School</p> <p>Education - £92,133.46</p> <p>Towards the councils costs in providing improvements or enhancements to the education facilities at Lymm High School, Oughtrington Lane</p>
------------	--	---	----------	-------------	--

2016/28807	Pewterspear Green	Development for up to 180 residential dwellings	27/09/2017	£1,594,936.00	Bus shelters
					<p>£10,000 to be used towards the provision of 2 bus shelters and associated hard standing on Stretton Road adj to the site</p> <p>Health care</p> <p>£138,780.00 towards the costs of providing or enhancing primary healthcare facilities to mitigate the impact of the proposed development</p> <p>Leisure Centre</p> <p>£140,510.00 towards the costs of enhancing built sports facilities at Broomfields Leisure Centre to mitigate the impact of the proposed development</p> <p>Primary classroom</p> <p>£671,706.00 to provide additional classroom facilities at Grappenhall Heys Primary School to mitigate the impact of the proposed development</p> <p>Secondary classroom</p> <p>£523,940.00 to provide additional classroom facilities at Bridgewater High school to mitigate the impact of the proposed development</p> <p>Sustainable Transport</p> <p>£110,000.00 to be used towards the Councils costs in providing bus services in Pewterspear and introducing other sustainable transport measures needed to mitigate the impact of development</p>
Total				£2,715,373.37	

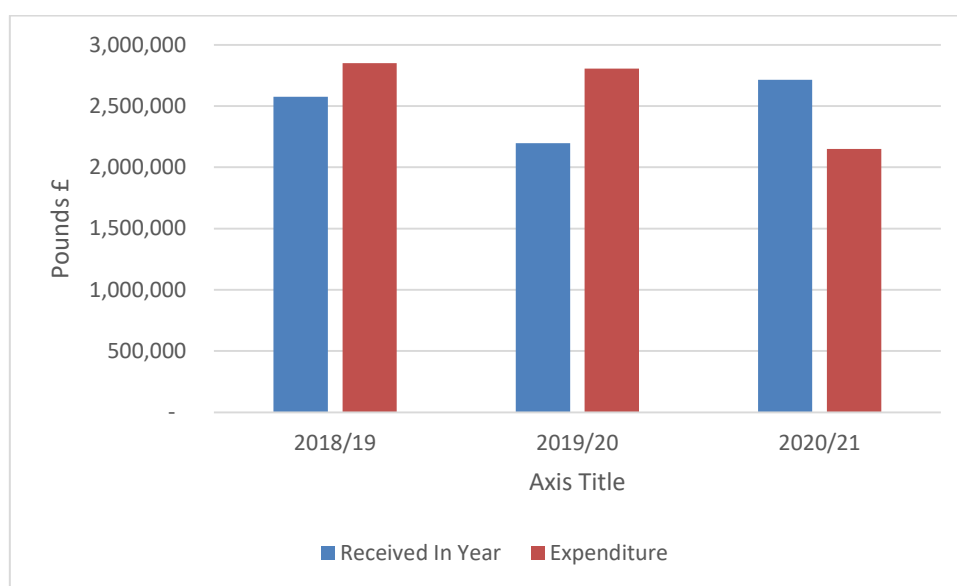

The total figure for receipts in 2020/21 is higher than that received in the previous two financial periods as demonstrated in Table 3 and also in Figure 2. It can be seen that expenditure in the period 2020/21 was less than in the previous financial period. This is likely to be linked to the impact of the Covid-19 pandemic which was felt most severely during this reporting period. However, expenditure remained at over £2m demonstrating the Council's

commitment to delivery of infrastructure through the implementation of funding already secured.

Table 3: S106 Receipts and Expenditure over the last 3 years

	Received	Expenditure
Year	£	£
2018/19	2,576,250	2,850,736
2019/20	2,197,576	2,807,228
2020/21	2,715,373	2,148,758

Figure 2: Bar Chart to show S106 Income vs Expenditure Since 2018

2.3 Section 106 spending

As previously identified, expenditure in the financial period 2020/21 has remained high at over £2m emphasising the Council's current focus on the spending of S106 monies to ensure the delivery of infrastructure, including affordable homes, employment, education, open space and transport improvements, amongst others. The Council recognises the importance of delivering all types of infrastructure needed to support growth and is committed to maximising the benefits secured from development.

A breakdown of expenditure across the Borough broken down by service area is shown below.

Figure 3: Summary of expenditure by service area 2020/21

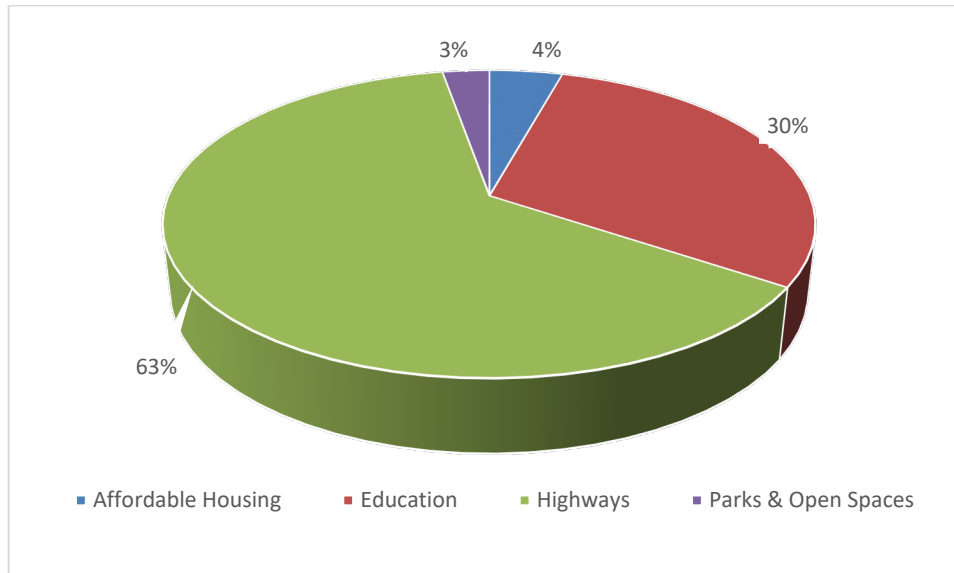

Summary of main spending in 2020/21:

- **£92,652** on affordable housing provision.
- **£645,396** on education provision.
- **£1,351,096** on transportation.
- **£59,614** on parks and open spaces.

Figure 4 provides a visual breakdown of the percentage of expenditure during this period across each service area. It can be seen that contributions towards highway infrastructure and education have been the most significant, with highway infrastructure being particularly notable making up 63% of spend during the period 2020/21.

Spending on affordable housing and parks and open spaces has been much smaller at 4% and 3% respectively. Spending in these areas is expected to be lower as affordable housing and open space is normally provided in kind on site.

Figure 4: Pie chart showing % spend by service area

Notably there was no spending on Built Leisure, Built Sports Facilities or Healthcare in the period 2020/21.

A more detailed breakdown of the expenditure within each service area is provided below, along with example projects.

2.3.1 Housing – affordable housing expenditure 2020/21

Policy SN2 of the Local Plan Core Strategy (2014) (as updated by the requirements of the National Planning Policy Framework) requires affordable housing to be provided on sites of 10 units or more. A minimum of 20% of units should be affordable, this increases to 30% on sites of 15 or more dwellings outside of Inner Warrington or on greenfield sites anywhere in the Borough. Affordable housing should be provided on-site in the first instance, although off-site contributions or a payment in lieu will be allowed in exceptional circumstances. During 2020/21 around £90,000 of funding was spent on affordable housing. Section 106 spend during this period has included:

- Supported Housing Project (approx. £90,000 from Dawson House, Liverpool Road)
- Affordable housing provision (approx. £1,800 from Gemini 16, Willow Vale)

In addition, during 2020/21 a total of 100 homes were delivered on site. It should be noted that this figures includes 28 homes delivered in the previous financial year (2019/20) but which were not recorded in that year's figures.

2.3.2 Education

The Council's Planning Obligations SPD requires that residential developments of 11 or more units (or with a maximum combined gross floorspace of more than 1,000sqm) will be required to provide a contribution in order to secure delivery of appropriate enhancements to existing education facilities in the local area where there is insufficient capacity to meet the increase in school age children generated by the development. The contribution is calculated by multiplying the number of school age children arising from a development for which capacity does not currently exist against the cost of providing primary and secondary school places. For large scale development proposals where the unmet need justifies the delivery of a new school, the Council will seek to secure land as part of the overall development proposal.

During 2020/21 around £645,000 of funding was spent on the provision of school places to meet the needs of the Borough's residents. Section 106 spend during this period has included:

- Additional primary places at Grappenhall Heys Primary School (approx. £13,500)
- Expansion of Bridgewater High School to support residential development at Stretton Road, Appleton Thorn and Pewterspear (approx. £630,000)

2.3.3 Healthcare

The Planning Obligations SPD requires that residential developments of 50 or more units will be required to provide a contribution in order to secure delivery of appropriate enhancements to existing health facilities where there is insufficient capacity to meet the

needs of the increase in population generated by the development. A standard charge per residential dwelling has been defined based on average household size and the catchment and cost of a new health facility. For large scale development proposals, which will generate a level of population increase which justifies the delivery of a new health facility, the Council will seek to secure a new facility as part of the overall development proposal.

There was no significant spending on healthcare from Section 106 funding in the period 2020/21.

2.3.4 Parks and Open Spaces

The Planning Obligations SPD sets out a range of requirements relating to open space provision and contributions towards playing pitches. Open space will be sought for residential developments of 40 units or more. The Council seeks to secure provision on site as a priority, based on Warrington's open space standards and taking into account the existing quantity and quality of different categories of open space in the surrounding local area. Where it is not possible to provide sufficient open space on site, or where there is sufficient quantity of open space but it is not of a high enough quality, the Council will seek a financial contribution to provide off-site open space or improve existing open space. The level of contribution will be related to the scale of the development proposals and the opportunities to provide or improve open space in the surrounding area.

During 2020/21, over £59,000 of S106 monies was spent on improving parks and open spaces. Section 106 spend during this period has included:

- Improvements relating to the former Ship Inn site, Chester Road (Approx. £3,700)
- Sports pitch, play area and ecology provision at Bruche Park, Larkfield Park, Ecology Park and Woolston Park (Approx. £5,800)
- Improvements relating to Omega developments (Bericote Land) (Approx. £18,000)

2.3.5 Built Leisure

The Planning Obligations SPD sets out that where an improvement is required to an existing facility, the level of financial contribution sought will be defined based on the specific improvement the Council is seeking to implement taking into account the scale of increased use likely to arise from the development proposal and secured through S106 Agreement. Where major development sites of a strategic nature would result in an increase in demand which could not be accommodated within an existing facility(ies) and it is of such a level that it would require the delivery of a completely new facility, the Council will seek to secure the delivery of the new facility as part of the overall development proposal.

There was no significant spending on built leisure from Section 106 funding in the period 2020/21.

2.3.6 Transportation

Planning obligations relating to site specific highway and transport works will be sought for all types of developments where there is an impact on the transport network. Planning obligations to address the cumulative impacts of a development on the wider transport network will be sought for town centre and major development sites of a strategic nature where necessary. Planning obligations relating to transport are considered to fall into three categories: highway infrastructure, public transport infrastructure and influencing travel behaviour.

During 2020/21, over £1.3m of S106 monies was spent on key transport improvements to offset the impact of development on the highway and public transport network. Section 106 spend during this period has included:

- Works relating to Saxon Park (Approx. £77,000) (See Figure 5)
- Improvements to local transport network at Riverside Point, Farrell Street (Approx. £55,000)
- Common Lane Pedestrian Crossing (Approx. £28,000)
- Omega – highways improvements relating to the occupation of Travis Perkins (Approx. £233,000)
- Omega Local Highways Phase 1 – Lingley Green Avenue / Omega Boulevard Junction Improvements, Zones 3 to 6 Omega (Approx. £875,000)
- Implementation of Shared Use Path on Westbrook Way (Approx. £80,000)
- Improvements relating to development at Dawson House, Liverpool Road (Approx. £2,000)

Figure 5: Images of some of the Saxon Park related works

2.4 Current Section 106 balances

As a result of the income and expenditure set out above, the closing balance at the end of the period 2020/21 is £6,175,813. This can be broken down by service area as shown below.

Table 4: Current S106 balances by service area

Service Area	Current Balance
Affordable Housing	£2,288,849
Built Leisure and Sports Facilities	£244,927
Education	£939,385
Healthcare	£276,640
Highways	£1,981,093
Parks & Open Spaces	£413,135
Total	£6,175,813

For a detailed breakdown of committed spend please refer to Appendix A – ‘Schedule of S106 Agreements’ where a full schedule of contributions, scheme details and timescales for expenditure can be seen.

Whether, of the total balances detailed above, monies are committed to a specific project or are currently unallocated varies depending on the nature of the contribution and the service area within which it sits. For example, within Appendix A, it is clear that affordable housing development is mostly linked to a specific development site and is delivered as part of a wider scheme. In this instance, a financial contribution is not specifically paid to the Council but the builder delivers the affordable housing units on-site as agreed. Where a financial contribution is sought for off-site provision this is often not allocated until a specific need is identified.

For Built Leisure and Education contributions, these are mostly committed to a specific project or facility which will require investment or expansion as a direct result of the proposed development. This is also generally the case with contributions relating to healthcare. For example, residential development at the former Sycamore Lane school site

in Great Sankey led to an identified need for investment at Great Sankey Medical Centre, contributions towards primary and secondary schools (at Great Sankey Primary and Penketh High School) and contributions towards local sports pitches and leisure facilities.

By contrast, contributions towards highway improvements often involve off-site works. For example, development proposed on Land bounded by Lingley Mere Business Park, Great Sankey included a contribution towards improvements at Junction 8 of M62 motorway, amongst other improvements. Again all currently secured contributions and details of their implementation are included at Appendix A.

2.5 Monitoring Fees Received in 2020/21

Authorities can charge a monitoring fee through S106 Agreements to cover the cost of monitoring and reporting on delivery of that S106 obligation. Monitoring fees can be used to monitor and report on any type of planning obligation, for the lifetime of that obligation. Monitoring fees received in the period 2020/21 are detailed in Table 5 below. Of the fees identified, a total of £660 was received in this financial year.

Table 5: Monitoring Fees received in 2020/21

Application Number	Address	Ward	Date 106 Signed	Triggers / Instalment	Amount received to date	Date received
2019/35964	Land at Richmond Recreation and Social Club	Latchford East	08/07/2020	Monitoring Contribution - £660.00	£660.00	05/01/21
2020/37849	248-250 Manchester road		11/06/2021	Monitoring fee - £820.00	n/a	Requested
2020/36579	Former Fox Wood School, Chatfield Drive, Birchwood, Warrington	Birchwood	14/08/2020	Monitoring Contribution - £1,340.00	n/a	Requested
2020/36798	Former Sycamore Lane Primary School, Sycamore Lane, Great Sankey, WA5 1LA	Great Sankey North & Whittle Hall	14/08/2020	Monitoring Contribution - £1,860.00	n/a	Requested
2019/35549	Broomfields, Bridge Lane	Appleton	21/09/2020	Monitoring Contribution - £660.00	n/a	n/a

					Total	£660.00

3. Planned Expenditure 2021/22

This section of the statement sets out how S106 income will be spent and prioritised over the next reporting period 2021/22 and beyond, as required by planning practice guidance and the CIL regulations.

S106 funding must be spent in accordance with the terms of the legal agreement agreed during the planning application process. The heads of terms can include a clause to spend the S106 contribution within a specified time period, often between five and ten years of the agreement. S106 funding is closely tied to the phasing of development set out in the terms of the legal agreement.

S106 income varies on a site-by-site basis depending on a range of factors, such as the viability of development and site-specific considerations. This makes it difficult to forecast future S106 income and expenditure.

3.1 Planned S106 Expenditure

Full details of planned expenditure for 2021 and beyond are captured in the Schedule of S106 Agreements (updated to the position as at 31 July 2021) included at Appendix A.

There is in excess of £10 million of planned expenditure in place which has already been secured by S106 agreement but the triggers for payments have not yet been reached.

Much of our planned spending is focused on improvement works to directly mitigate the impact of development; for example:

- Improving facilities at Broomfields Leisure Centre (various contributions)
- Improving primary and secondary school facilities across the Borough (various contributions)
- Provision of a new healthcare facility at Appleton Cross (various contributions).
- Improvements to Birchwood Medical Centre (£53,000)
- Improvements to Great Sankey Medical Centre (Hood Manor) (£70,000)
- Provision of medical facilities at Wilderspool Causeway (£100,000)
- Contribution towards native mixed woodland/scrub creation for the provision of habitat at Gateworth Phase 1 site at Sankey Bridges (£12,600)
- Improvements to the Mary Anne Meadows playing fields, Bristow Close, Great Sankey for football pitch improvement programme in partnership with the Football Association (£48,000)
- Highway improvements and enhanced public transport provision including increased bus services and new bus stops (various contributions).

In terms of the unallocated remaining balance, careful consideration will be given to how to allocate monies according to the legal definition within the corresponding S106 agreements as well as the wider funding and policy context. The wider funding context is considered in detail within the Council's Infrastructure Delivery Plan.

In addition, further S106 contributions will be secured in the next financial year. The precise details of these contributions will be dependent on individual development proposals coming forward. The Council continually monitors development that is projected to come forward in the short, medium and long term as part of its Local Plan and wider infrastructure planning work.

4. Conclusion

Warrington Borough Council is committed to working with the local community, service providers and other stakeholders to ensure that planning contributions are used in a fair and transparent way to maximise the benefits and opportunities arising from development.

The Council recognises the importance of ensuring the timely delivery of infrastructure to support new development and this is a crucial part of the local plan process.

The Council is further committed to improving the collection and delivery of planning obligations and the monitoring of income and expenditure to align with the requirements of this Infrastructure Funding Statement. The Council will also consider whether it is necessary to update its Planning Obligations SPD to facilitate a clear and co-ordinated approach to allocation and negotiation of funding between different service areas within the Council.

If you have any further queries or comments about this statement please contact the Planning Policy and Programmes Team on 01925 442826 or via email at LDF@warrington.gov.uk.
