**Disclaimer for attending groups.**

**In light of the recent pandemic if you are attending any groups we will ask you to maintain social distancing, we may ask you to wear a mask in any public spaces that we hire in line with the hirers/government guidelines.**

**We/Hired space will provide hand sanitizers upon entering and leaving groups and we will require you to use these.**

**One seat should be chosen for the entirety of the group and bags and coats placed underneath or on the back of the chair.**

**Refreshments will not be provided so please bring your own drinks – no food to be consumed at groups.**

**The groups will be smaller than usual for the time being to ensure everyone's safety and that social distancing measures are easily met, this is also for ease of contacting groups should someone become unwell, you may be asked to attend on a Rota basis and the groups may be shorter in length.**

**If you have any feelings of physical unwellness (even if these may not be Covid related symptoms) we would ask that you stay at home and not attend the groups for everyone's safety.**

**If you become unwell during a group please inform a member of staff immediately, in the event of someone becoming/feeling unwell we may terminate the rest of the group.**

**All hired spaces will be cleaned before and after every group.**

**An emergency contact must be given and everyone will be asked to fill in a new form with up to date details.**

**If you become unwell after attending a group please let a member of staff know as soon as possible so we can alert other group members where necessary.**

**I agree to abide to the terms above for my own/others safety and understand I may be asked to leave and return at a further date if I do not adhere to these terms, whether by Creative Remedies or the rules of the Hirer.**
