

# Diversion Route During the Works (All Options)

**NOTES**

During the works it will be necessary to use the emergency access point onto Scholars Green Lane.

Some works will be required e.g. removal of gate & posts, and removal of a bollard & sign/pole.

Longbutt Lane is an unclassified road so will be reopened during the works.

Concrete barriers may be required as a temporary measure to prevent Longbutt Lane being used incorrectly, if necessary.

Temporary traffic signals will also be required as the access is too narrow for two way traffic.
