Dear Local Plan Team

Warrington Local Plan / Sustainability Appraisal – Main modifications Consultation

Historic England is the Government's statutory adviser on all matters relating to the historic environment in England. We are a non-departmental public body established under the National Heritage Act 1983 and sponsored by the Department for Culture, Media and Sport (DCMS). We champion and protect England's historic places, providing expert advice to local planning authorities, developers, owners and communities to help ensure our historic environment is properly understood, enjoyed and cared for.

Thank you for consulting Historic England on the above documents. We do not have any comments to make on the proposed modifications.

If you have any queries or would like to discuss anything further, please do not hesitate to contact me.

Yours sincerely,
