### Updated Proposed Submission Version Warrington Local Plan (2021 – 2038) Main Modifications consultation

Grappenhall and Thelwall Parish Council (GTPC) has been notified of the consultation on the Main Modifications (MMs) recommended by the Inspectors examining the Warrington Local Plan to address issues of soundness.

GTPC, along with five other Parish Councils in South Warrington, is a member of the South Warrington Parishes Working Group (SWP). SWP represented by Groves Town Planning, has previously submitted representations on the Local Plan including evidence to the examination hearings.

SWP will be submitting representations on the MM consultation on behalf of the six Parish Councils in South Warrington, including GTPC, in order to avoid any unnecessary repetition. However, GTPC would like to specifically indicate its support for the MMs to reduce the amount of employment land identified as necessary between 2021/22 and 2038/39 and to remove the South East Warrington Employment Area allocation thereby retaining the land in the Green Belt (MM01, MM002, MM005, MM007, MM020 and MM024 in so far as they relate to the above matters).

Yours sincerely
