

## **STATEMENT OF REASONS**

### **THE BOROUGH OF WARRINGTON (PARKSIDE DEVELOPMENT) (SPEED LIMITS) ORDER 2023**

As a result of the substantial Parkside development primarily in the Borough of St. Helens there are a number of new roads providing access to the development which require suitable speed limits. Adjacent existing roads have either changed classification or usage and it is considered to reduce a number of speed limits in keeping with the nature of the routes.

### **THE BOROUGH OF WARRINGTON (PARKSIDE DEVELOPMENT) (7.5 TONNE WEIGHT LIMIT, EXCEPT FOR ACCESS) ORDER 2023**

As a result of the substantial Parkside development primarily in the Borough of St. Helens there are a number of new roads providing access to the development. The section of Parkside Road south of A573 Parkside Link Road is proposed to be declassified and subsequently the weight limit extents are deemed unsuitable.
