

STATEMENT OF REASONS

THE BOROUGH OF WARRINGTON (A573 PARKSIDE LINK ROAD) (PROHIBITION OF U-TURN) ORDER 2024

As part of the Parkside Link Road scheme a new traffic signal controlled junction incorporates a pedestrian phase and as a result it is deemed necessary to prohibit any motor vehicle proceeding along the A573 Parkside Link Road in a south easterly direction from making a U-turn at the traffic signals and travelling in a north westerly direction. Pedestrian conflict could occur should vehicles be permitted to perform a U-Turn.
